

Notes and news

Hello... We hope you're keeping your spirits up!

If you have **any urgent needs** do contact the Trendalls (01908 582839,

matt.trendall.mk@gmail.com or

alisetrendall@gmail.com) and we'd love to help. We have a great team of people ready and willing to help out in any way needed.

If you have access to email, and have any urgent prayer needs, don't forget our **Prayer Chain**:

All Saints: prayerchain.mkv@gmail.com

St Mary's: prayerchain.wavendon@gmail.com

....or if you don't have an email address, please call Matt and Alise on the phone number above and we'll send it round.

This week we hope to start setting up **virtual groups** for us to meet and share together in conversation and prayer. If you've not been part of one of these but have access to a computer or smartphone do let us know and we'd love to include you. If you have just a landline, then we'll find a way round it!

We'll also be collecting **good news stories** and will be sharing these regularly on the website and via email – and also through these weekly 'notes and news' sheets. If you've got an encouragement to share, let us know and we'll send it out. The more good news in these times, the better.

Likewise, **creative types** – if you can take a digital photo of what you're making, we'll upload it for others to enjoy too.

Finally, if you have **any other ideas** that will help us all to keep our spirits up just let us know. It could be: doing the biggest jigsaw, growing the longest beard, phone Scrabble... you name it!

Do keep in touch – if you can't get to church, church will get to you!

With our love and prayers,

The Trendalls (*on behalf of our team of churches*)
